MCRCD Mission Statement

The mission of the Mariposa County Resource Conservation District is to encourage and facilitate cooperative solutions to local resources conservation issues and projects. By providing leadership, the Mariposa County Resource Conservation District works with all stakeholders to find solutions that conserve the basic natural resources of Mariposa County. To further this aim, the Mariposa County Resource Conservation District provides technical assistance to landowners, carries out informational activities, seeks and implements grants and other funding sources, and develops cooperative alliances with other agencies and community organizations.

For persons requiring accommodations pertaining to physical accessibility, sign language interpretation, Braille, large print or alternative formats, please contact the MCRCD office at least 5 days in advance of the event at (209) 966-3431.
